

# MindCare – AI Mental Health

## Privacy Policy

### Effective Date

This Privacy Policy applies to all users of the MindCare – AI Mental Health application.

---

### 1. Introduction

MindCare – AI Mental Health respects and protects the privacy of its users. This Privacy Policy explains how information is collected, used, stored, and protected while using the application.

By using the application, users agree to the collection and use of information as described in this policy.

---

### 2. Information We Collect

The application may collect the following information:

#### *Personal Information*

- Full Name
- Email Address
- User Authentication Credentials

#### *Mental Wellness Data*

- Mood Check-in Records
- Stress Level Entries
- Emotional Analysis Results
- Wellness Activity Records

#### *Emergency Information*

- Trusted Contact Information
- Emergency Alert Preferences

## *Technical Information*

- Device Information
  - Application Usage Data
  - Error Logs and Diagnostics
- 

### **3. Purpose of Data Collection**

The collected information is used to:

- Create and manage user accounts
  - Authenticate users securely
  - Provide personalized wellness recommendations
  - Monitor emotional trends and mood history
  - Support AI-powered chatbot interactions
  - Improve application performance
  - Enable emergency support functionality
- 

### **4. Artificial Intelligence Features**

MindCare uses Artificial Intelligence technologies to:

- Analyze emotional patterns
- Detect facial emotions
- Generate wellness recommendations
- Provide chatbot responses
- Improve user experience

AI-generated recommendations are intended for informational and wellness-support purposes only.

---

### **5. Data Storage and Security**

User information may be stored using secure technologies including:

- Firebase Authentication
- Firebase Firestore Database
- Secure Local Storage

Appropriate security measures are implemented to protect user information from unauthorized access, disclosure, or modification.

---

## **6. Emergency Support Services**

When users activate emergency features, the application may use stored trusted contact information to deliver alerts or notifications.

Users are responsible for ensuring the accuracy of emergency contact details.

---

## **7. Information Sharing**

MindCare does not sell, rent, or trade personal information.

Information may only be shared:

- With user consent
  - To provide essential application services
  - To comply with legal obligations
  - To protect user safety when required by law
- 

## **8. User Rights**

Users have the right to:

- Access personal information
  - Update account information
  - Request correction of inaccurate data
  - Request account deletion
  - Withdraw consent where applicable
- 

## **9. Children's Privacy**

MindCare is not intended for children under the age of 13 without parental guidance and supervision.

---

## 10. Third-Party Services

The application may use trusted third-party services including:

- Firebase Authentication
- Firebase Firestore
- Google AI Technologies

These services maintain their own privacy and security policies.

---

## 11. Policy Updates

This Privacy Policy may be updated periodically to reflect improvements, legal requirements, or application changes.

Users are encouraged to review this policy regularly.

---

## 12. Disclaimer

MindCare – AI Mental Health is a wellness-support application and is not intended to replace professional medical, psychological, or psychiatric care.

Users experiencing serious mental health concerns should seek assistance from qualified healthcare professionals.

---

## 13. Contact Information
